

COUNTING THE IMPACT

Angels Among Us Pet Rescue is a non-profit organization serving the greater Atlanta area. We rescue dogs and cats, providing medical help and adoption services to help abused, neglected, and unwanted animals find their forever homes.

We began our work in 2009.
In 2022, we reached a major milestone!

20,000 ANIMALS SAVED!

We are proud of that singular number, but there was an even bigger impact.

LET'S START WITH THE BASICS.

40,915 LIVES WERE IMPACTED

20,000 animals lived and were loved as they deserved to be.

17,336 adopters offered a home and got friendship, love and companionship in return.

3,579 fosters were the bridge to a new life for a wonderful cat or dog, and made the world a better place.

FACTOR IN THE AVERAGE FAMILY + THE IMPACT IS EVEN BIGGER.*

40,566 individuals in adopter households offered a home and got friendship, love and companionship in return.

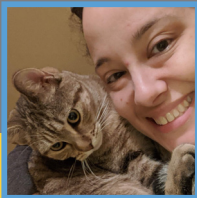

20,000 animals lived and were loved as they deserved to be.

8,375 individuals in foster households were the bridge to a new life for a wonderful cat or dog, and made the world a better place.

***67% of Georgia households are families.**
There are an average of 3 people in each household

IT ALL ADDS UP TO 68,941 LIVES IMPACTED.

LET'S NOT FORGET THE PEOPLE BEHIND THE SCENES.

Each year, 350 volunteers, veterinarians, and dog trainers also work to help Angels Rescue accomplish our mission.

SINCE 2009,

we have met countless good people who cared about animals enough to reach out to Angels Rescue and report animals in need.

Make your impact, save lives, and help Angels Rescue reach our next big milestone!

FOSTER, VOLUNTEER, ADOPT OR DONATE.

If you love animals and want to make a difference, Angels Rescue has a place for you.
